Perhaps next time?

We're sorry we missed you at TPS. We value the opportunity to connect with our customers and share our rotating equipment expertise.

To keep you in the loop, our previewed products including a Secondary containment seal for Plan 66A crude-oil pipeline applications, new Seal Gas Booster, and Filtration Services can be found at www.johncrane.com/about/events/tps-2019

If you'd like to receive updates periodically from John Crane, [please click here](#). We'll tell you about upcoming webinars and exhibition attendance, new whitepaper content and news about upcoming product releases.

In the meantime, we encourage you to:

- Subscribe to our [blog](#)
- Follow us on [Linkedin](#), [Twitter](#), and [Instagram](#) to stay updated on everything John Crane
- Check out our [Resource Library](#) often for new case studies, videos and more
- [Visit our website](#)

We look forward to growing our relationship further.

Sincerely,
John Crane Team
